See Addendum page for Models

USE IN HAZARDOUS LOCATIONS

Have been evaluated by UL in accordance with the Standard(s) indicated on this Certificate.

EMERGENCY LIGHTING AND POWER EQUIPMENT FOR

Standard(s) for Safety:UL 844 - Luminaires for Use in Hazardous (Classified)
Locations;
UL 924 - Emergency Lighting and Power Equipment.Additional Information:See UL Product iQ® at https://iq.ulprospector.com for
additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.
